

First Weekend of Great Lent at St. Christopher Church

Peachtree City, GA, February 23-24, 2018

On the **First Friday of Great Lent**, Fr. George offered the first part of the **Salutations to the Theotokos Service**, where we joined in chanting, ***“Rejoice, O Bride Unwedded!”***

On the third Saturday of the Souls, four families offered and shared Kolyva for our deceased loved ones, including *Sheryl Vasiliadis’* father of blessed memory, *Chase Morrison*, who fell asleep in the Lord this week. ***May their memory be eternal!***

Thanks to **Helen Psihountas, Chairman of this year's "Hands on Day"** to "spring clean" our parish and all those who assisted in cleaning and organizing our facilities, as well as discarding trash and making our worship, fellowship, and classroom areas "sparkle!"

After the "Hands On Day" concluded, members of our **Building Committee** welcomed *Mr. Costas Vrettos*, our architect who is designing the first phase of our building program at our church property. Members are working hard to plan for the building of our new facility.
