

Cutting of the Parish's First Vasilopita

Monday, January 1, 2018

following Divine Liturgy for Circumcision of our Lord and St. Basil

*****On New Year's, we celebrated the Feast of St. Basil. This Sunday, January 7th, our Philoptochos invites your participation in this year's annual event after church services... see last page. We hope you invite your family and friends to join us as we offer our Hands of Love Community Luncheon to raise funds to benefit St. Basil's Academy.**

This special icon of St. Basil was a gift to Fr. George from his brother. He enjoys using it for St. Basil's Feast & when we cut the Vasilopita (bread of St. Basil). Gail Ericsson, our Philoptochos President offered our parish's first Vasilopita on January 1st. She used the recipe of her mother of blessed memory, Helen Hayes. Fr. George asked Gail to receive the first piece on behalf of our Lord and Savior, Jesus Christ.

Fr. George & Presbytera Marinda are grateful for your prayers and encouragement. We pray God blesses you in 2018 and always.
