The mission of St. Christopher Hellenic Orthodox Church is to proclaim, practice, and preserve the Orthodox Christian faith. We welcome all who seek salvation from our Lord Jesus Christ as we reach out and witness His sanctifying grace.

Our vision is to establish an everlasting Orthodox Christian presence for the Glory of God, extending His love to all.

We serve the southern Atlanta metropolitan areas of Clayton, Coweta, Fayette, Henry, Spalding and South Fulton counties. Church services are offered in Greek

and English, with the Lord's Prayer being prayed in the languages of those present (normally Greek, Bulgarian, Romanian, French, Serbian, Spanish, Russian, and English).

All ages are welcome, whether they are Orthodox Christians or those seeking to learn about the Orthodox faith. Those who may be considering joining the Orthodox Church, along with visitors from other faiths and denominations, are welcome as well.
